

HHS Movie Permission Slip

As part of your child's coursework this year, it may be beneficial to show films (or excerpts of films) related to the curriculum.

Written parental permission is needed before showing any film that is rated "PG-13" by the Motion Picture Association of America. If you do not wish to have your son/daughter view films with these ratings during class, relevant and appropriate alternate assignments will be provided.

Please sign and return the bottom portion of this paper with your student.
